DOCKET DESCRIPTION:

Petition of HTC Communications, Inc. for Arbitration of an Interconnection Agreement with Verizon South, Inc.

ADMINISTRATIVE MATTERS UNDER CONSIDERATION:

Request to Extend Deadline to File List of Issues with Each Party's Position on the Issues

HEARING OFFICER ACTION:

On March 11, 2009, HTC Communications, Inc. (HTC) filed a letter requesting a modification to the procedural schedule issued in the Hearing Officer Directive dated January 29, 2009. In the Directive, the parties in Docket No. 2002-66-C were instructed to jointly submit to the Public Service Commission (Commission) the list of issues for arbitration, along with each party's stated position on the issues, on or before March 13, 2009. HTC seeks an extension of two (2) weeks, until March 27, 2009, to present the list of issues and the respective parties' positions to the Commission. Verizon South, Inc. (Verizon) is in agreement with the requested extension, as the request will not affect any other due dates outlined in the January 29, 2009, Hearing Officer Directive.

I find HTC's request for an extension reasonable, and it is granted. Additionally, Verizon does not oppose the request for an extension. The parties are directed to jointly submit to the Commission the list of issues, along with each party's stated position on the issues, on or before March 27, 2009.
